## Missed Appointment Policy

We require a **two-business day** advanced notice for any changes or cancellations of your appointments. This allows us the time we initially reserved especially for you in our schedule to be filled by another patient who may have been waiting for this appointment time.

As a courtesy, we make every effort to remind patients of their appointments ahead of time; however, it is ultimately the patient's responsibility to keep their appointments.

- We reserve the right to charge a fee for late cancellations
- If you do not call within 2 business days or "no show" your appointment you will be assessed a \$75 cancellation fee. This is NOT covered by your insurance but will be paid by you directly. Cancellation fees must be paid prior to the start of your next appointment.
- Excessive abuse of scheduled appointments may result in discharge from the practice.

By signing below, I acknowledge that I have read and agree to the above policy.
